Dear Karen,

**Charity Donation to Alt Academy Oldham**

Enclosed is a download out of the Saddleworth Independent from last week. It gives an excellent write up on the very kind donation given by East Lancashire Freemasons.

My wife Janette is the Head Teacher of the Alt Academy and she was amazed how easy the process was to apply for funds from The Province. I can inform you the children and the School are delighted with the equipment. It makes me proud to be a Freemason when I see our Charitable donations going to a project for such under privileged children.

It would be extremely remiss of me if I did not mention the excellent work of Steve Clark in both processing this application and the time he spent at the School meeting the children and staff.

Once again on my own behalf and on behalf of the Alt Academy, many, many thanks.

Fraternally Yours

W Bro Stephen Sharp  
Pythagoras Lodge
