## Summer

Hot or cold, what could it be?  
Summer is here just look and see  
It's not winter or autumn here  
Summer is something we shouldn't fear.

Summer is out and it's time to play  
Have fun because summer is not here to stay  
Jump in the pool and play all day  
Let's come on out and head for the bay.

Summertime is once a year  
Come on out without any fear  
Plant some flowers for a summer day  
As long as summer is here to stay.

### REMINDER!

Just a reminder, as previously mentioned in the recent Residents Meeting, can all who purchase goods from the onsite shop, please ensure you have small change. The shop runs out of change very quickly when people pay with large notes. Thank you.

### Handmade Cards

Thank you, Margaret, the cards are beautiful.

### Volunteers Wanted

Hewlett Court will be hosting a 'Pop up' Shop to help raise funds for EL Festival 2026. If there are any residents that would like to volunteer to help on the stalls on Saturday 17<sup>th</sup> August 2024 then please speak to the Management Team.

## Self-Care Tips in the Warm Weather

As we move into the summer months and the weather gets warmer can we please remind everyone to follow the simple self-care tips below

- **Stay hydrated! Water is always available from the water fountain. Juice is served throughout the day and ice lollies are available and will be handed out by staff throughout the day.**

- **Avoid direct sunlight. Sit in shaded areas when outside.**

- **Wear protection! Suncream and sun hats should be worn outside. Suncream is available to buy from the onsite shop.**

- **Wear thin, light weight clothing. Multiple layers of clothes will cause your body to overheat and make you feel unwell.**

- **When in your room, use a fan to cool down your room and shut the curtains to keep the heat out.**
