Dear Martin,

On behalf of all the members at The Nicky, I am writing to formally thank the East Lancashire Masonic Charity for their incredibly generous donation. Your donation together with the donation which you arranged from the Masonic Charitable Foundation will enable us to purchase new computers for our members to use while at our centre.

The new computers will allow our members to be supported when using the computers for tasks such as online shopping or banking and even video calls with relatives in other parts of the country or abroad. With our new computers, we will now also be able to reintroduce computer lessons for our members.

I will be in contact once the computers are in place so you can arrange to take photos and meet the users.

Once again, thank you so much for your generous support.

With kind regards

David S Delew OBE
