Dear Sir/Madam

I am writing to thank you for your wonderfully generous donation of outdoor equipment to our special needs unit "the Hive".

School budgets are extremely tight at present and no money is allocated to the provision of outdoor equipment. Therefore, our most vulnerable learners had very little outdoor provision. Your kind donation has enabled us to purchase specialist equipment suitable for the needs of our learners in The Hive. The equipment will also enable some of our wheelchair users to access the grassed area which will be wonderful, particularly in summer.

Please know that the equipment will be well cherished and well used. We are still awaiting some equipment to be delivered, however please feel free to visit in the future to see the benefit your donation has had on our pupils.

With warmest thanks and regards,

Yours sincerely

Mrs Louise Chapman
Headteacher
