We understand that moving from your home into a communal living setting can be a very difficult and momentous decision, for both the potential individual and their families. We are here to support that decision to ensure the right conclusion is made for all concerned.

Hewlett Court prides itself on providing a warm, friendly, family environment.

The Staff are all dedicated to ensuring that each individual have control over their own lives, to encourage them to make their own choices and opportunities to maintain their independence, encouraging them to play an active role in the improvement and development of the services provided.

Hewlett Court continually look at ways to improve the amenities and to provide the best service available.
